

FUEL AT COUNTY OF SAN DIEGO AIRPORTS

Master Lessees and Fixed Base Operators (FBO) may supply fuel at County Airports. All others (e.g. sublessees and permittees) are required to work through their Master Lessee (sublessor) or FBO for fuel and/or lubricants.

Only permitted suppliers may be used. The following is the current list to be used by Master Lessees and Fixed Base Operators when ordering fuel and/or lubricants:

PERMITTED FUEL SUPPLIERS
